**RE: Bowman v. Sailview Associates, Inc., et al.**

Van Nuys Superior Court Case No.: LC065441  
Our Client: Sailview Associates, Inc.  
Date Of Loss: 06/30/02

Dear Dr. Warner-Chacon,

Thanks in large part to your work in this case, the matter has been resolved. In fact, you did such a good job, as part of the settlement, your neuropsychological report must not be disclosed to anyone absent a court order.

Your expertise is sincerely appreciated. Hopefully, we can work together on another case.

Very truly yours,
